Anyone else notice the very obvious (if you know or researched anything about it at all) Illuminati references? When Kat takes Dante to 'The Order' where he meets Vergil the first time, she mentions, 'demons are among us, enslaving us while we are asleep, controlled, and unaware.' And that they had discovered them and their affiliates whom are 'politicians, bankers, and popstars.' This is very obvious and blatant to what's happening in reality
