online pharmacy spam email

So I keep thinking in the back of my head, if it's not safe for an unborn baby, is it safe for a 6 month old? I think it would be okay or the pedi wouldn't leave it as an option, but I'm not sure I don't want my son in pain, and I know tylenol doesn't really help me and if I have cramps or a headache ibuprofen is what I usually go for, but I'm just not sure what I should do
