This was one of the most unpleasurable dining experiences that I have had in awhile. I ordered Bruschetta, Lump Crab Stuffed Mushrooms, Diet Coke, and Straub Dark. The bruschetta was soggy and it was the best thing about our time there. The "crab" in the mushrooms was IMITATION. The "crab" mixture tasted old and sweet. No lump crab to be found. The waiter kept refilling my diet coke without asking me if I wanted more. When I got the bill I was charged for three Cokes at \$2.00 a pop. Ridiculous. My partner drank Straub (a cheap ass beer) and it was \$5 a glass. Pleasure Bar you can not make up for your lack of business by cheaping out on ingredients, overcharging on beer, and screwing me on diet coke. It will not work in the long run.
