Most of them have learned that in a slow growth environment, controlling costs is important – but spurring innovation is key. And from cars to software to drugs, I saw amazing innovations — some developed in-house and some acquired from smaller companies. Indeed, the chocolate lam eating is sourced from the Ivory Coast but manufactured by a small Israeli food company.

Such moments of levity like a larger-than-life Thomas and a mischievous gum-chewing Griffey show that if you can’t have fun with your job and with portrait photography, why do it? These cards also show that despite the substance abuse scandals, the throngs of disturbingly obsessed fans, the never-ending media attention and the obscene multi-million dollar contracts, baseball is essentially still just a game after all.
