If correctional authorities have a reasonable
suspicion that a prisoner's legal materials
contain non-legal material that violates
written policy, they should be permitted to
read the materials only to the extent
necessary to determine whether they are
legal in nature.

that "It truly warmed my heart and almost brought tears to my eyes when my 8-year-old, Mikaela, saw "Doc McStuffins" for the first time and said, 'Wow, mommy — she's brown,'" Myiesha Taylor of CoilyEmbrace.com said that "This program featuring a little African-American girl and her family is crucial to changing the future of this nation." Taylor also applauded the concept of its portrayal of a young black girl who wishes to follow in the footsteps of her mother as a doctor as the lead character, that inspired her to collect pictures of 131 doctors — all black, all women — and publish a collage online under the heading, 'We Are Doc McStuffins.'"

Such moments of levity like a larger-than-life Thomas and a mischievous gum-chewing Griffey show that if you can't have fun with your job and with portrait photography, why do it? These cards also show that despite the substance abuse scandals, the throngs of disturbingly obsessed fans, the never-ending media attention and the obscene multi-million dollar contracts, baseball is essentially still just a game after all.
